

Planning Board
Minutes of the March 9, 2009 Meeting

The meeting was called to order at 7:10 by Chairman Paul Lawrence

Members present - Steve Littlefield, Heather Quimby, Duke Simoneau, Roxy Hall, Paul Lawrence, Eric Frerking

There was no formal business in front of the board. There was informal discussion about presentation of the Shoreland Zoning Ordinance to the town meeting. There was also a heads-up that there may be a subdivision application forthcoming to the board in the near future. Also, there will be three newly elected board members at the next meeting, with Dale Thomas' term expiring, and Duke and Heather retiring from the board.

Duke moved to adjourn the meeting at 7:30
